Dear Supervisors:

**REQUEST TO APPROVE CONTRACT FOR THE PROVISION OF  
PARKING ATTENDANT SERVICES  
PROPOSITION A (PROP A) CONTRACT  
(ALL SUPERVISORIAL DISTRICTS) (3 VOTES)**

**SUBJECT:**

This is to request your Board's approval to execute the contract with 3MM, Inc., dba Arrow Parking. US (3MM, Inc.), on an automatic month-to-month basis for up to 11 months, effective August 1, 2009 through June 30, 2010 for the provision of parking attendant services, and delegate authority to the Director of Department of Children and Family Services (DCFS), or designee, to extend the contract for an additional six months on an automatic month-to-month basis, if such time is necessary until December 31, 2010 in order to find a new building to lease and relocate the staff that work at 3075 Wilshire Blvd., Los Angeles, CA 90020 to the new location. The total cost for the month-to-month contract for up to 11 months is \$93,679, financed using 36% (\$33,724) federal revenue, 33% (\$30,914) State revenue, and 31% (\$29,041) net County cost (NCC).

**IT IS RECOMMENDED THAT YOUR BOARD:**

Approve and instruct the Chair to execute the attached contract (Attachment I), for the provision of parking attendant services with 3MM, Inc. on an automatic month-to-month basis for up to 11 months, from August 1, 2009 through June 30, 2010, and delegate authority to the Director of DCFS, or designee, to extend the contract for an additional six months on an automatic month-to-month basis, if such time is necessary until December 31, 2010 to allow DCFS for find a new building to lease and relocate employees who work at 3075 Wilshire Blvd., Los Angeles, CA 90020 to a new location. The cost of the month-to-month contract for up to 11 months is \$93,679 financed using

*"To Enrich Lives Through Effective and Caring Service"*

36% (\$33,724) federal revenue, 33% (\$30,914) State revenue, and 31% (\$29,041) NCC.

### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

The purpose of the recommendation is to ensure uninterrupted parking attendant services from August 1, 2009 through June 30, 2010. Parking attendant services are provided at a County leased office structure, located at 3075 Wilshire Blvd., Los Angeles, CA 90020. The building lease expires on July 31, 2009; however, the County is in the process of searching for another building to lease.

DCFS has not found a new building to lease and intends to continue the existing lease after July 31, 2009 on a month-to-month basis. DCFS believes the month-to-month contract for parking attendant services is necessary due to: a) Uncertainty of when and where DCFS staff currently at 3075 Wilshire Blvd., Los Angeles, CA 90020 will be located; and b) Uncertainty of when and what parking attendant services will be required at the new location.

DCFS has determined that this is a Prop A contract and is complying with the Living Wage rate that was approved by your Board Policy on February 6, 2007.

### **Implementation of Strategic Plan Goals**

The recommended actions are consistent with the principles of the Countywide Strategic Plan, Goal #1, Operational Effectiveness. The contract for parking attendant services will maximize the effectiveness of processes, structure, and operations to support timely delivery of customer-oriented and efficient public services.

### **FISCAL IMPACT/FINANCING**

The cost of services for each month ranges from \$8,389 to \$8,684 contingent upon the actual working days in the month. If all 11 months are utilized, the total cost will be \$93,679 financed using 36% (\$33,724) federal revenue, 33% (\$30,914) State revenue, and 31% (\$29,041) NCC. The net amount is based on the associated cost and Living Wage rate of \$11.84 per hour without health care benefits. The total cost for the 11 months in the amount of \$93,679 is included in the Fiscal Year 09-10 Proposed Budget.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The contract is a fixed fee contract at the rate of \$6,989 per month plus the monthly Living Wage and other associated cost ranging from \$1,400 to \$1,695 per month, dependent on the number of working days/hours in the month. Parking attendant

services are provided from Monday through Friday, except on County's recognized holidays, to direct traffic in a County leased parking structure, located at 3075 Wilshire Blvd., Los Angeles, CA 90020. This ten-level parking structure includes 270 spaces, used by approximately 800 County employees. The building lease expires on July 31, 2009 and because, to date, the County has not found a building to relocate staff from this office site, County is planning on leasing this building and its parking structure on a month-to-month basis. These parking attendant services are necessary for controlling, directing, and monitoring all ingress/egress traffic, redirecting vehicles to the alternative parking structure when lot becomes full, and for moving vehicles parked in tandem parking spaces.

The contract for parking attendant services is a Prop A contract and is guided by the Living Wage provisions. DCFS is in compliance with Board's Policy and Guidelines on Living Wage Ordinances, adopted new Living Wage Rates policy of February 6, 2007, and the Chief Executive Office (CEO) guidance memo of March 18, 2008.

DCFS has notified the Board and CEO of its intention to negotiate a sole source contract with 3 MM, Inc. via procurement by negotiation.

County Counsel and the CEO have reviewed the Board letter. The contract is approved as to form by County Counsel.

### **CONTRACTING PROCESS**

No additional contracting process is required for this new contract. DCFS negotiated the contracts in accordance with California Department Social Services (CDSS) regulation 23.650.13, which allows County to negotiate contract with private individuals, firms, or agencies without formal advertising, if the aggregate annual amount involved does not exceed \$100,000. In addition, CDSS regulation 23-621.12 limited the contract term that was procured through negotiation up to a one-year period.

### **IMPACT ON CURRENT SERVICES**

Approval of this contract will enable the contractor to continue to provide the parking attendant services to DCFS' employees at the County leased building without interruption. The parking attendant services is necessary for controlling, directing and monitoring all ingress/egress traffic, redirecting vehicles to the alternative parking structure when the lot becomes full, and for moving vehicles parked in tandem parking spaces.

**CONCLUSION**

Upon approval and execution of this contract by the Board, it is requested that the Executive Officer/Clerk of the Board send an adopted stamped copy of this Board letter and attachment to:

CONTRACTOR shall make its best efforts to submit all invoices within 30 days of the last day of the month in which the service was rendered. Notwithstanding any other provision of this Contract, CONTRACTOR and COUNTY agree that the COUNTY shall have no obligation whatsoever to pay any past due invoices which are submitted more than 60 days after the last day of the month in which the services were rendered. COUNTY may, in its sole discretion, pay some or all of a past due invoice which CONTRACTOR has submitted more than 60 days after the last day of the month in which services were rendered provided sufficient funds remain available under this Contract. ## **6.0 BACKGROUND AND SECURITY INVESTIGATIONS**

- 6.1 At any time prior to or during term of this Contract, the COUNTY may require that all CONTRACTOR staff performing work under this Contract undergo and pass, to the satisfaction of COUNTY, a background investigation, as a condition of beginning and continuing to work under this Contract. COUNTY shall use its discretion in determining the method of background clearance to be used, up to and including a COUNTY performed fingerprint security clearance. The fees associated with obtaining the background information shall be at the expense of the CONTRACTOR, regardless if the CONTRACTOR's staff passes or fails the background clearance investigation.
- 6.2 COUNTY may request that CONTRACTOR's staff be immediately removed from working on the COUNTY Contract at any time during the term of the Contract. COUNTY will not provide to CONTRACTOR or to CONTRACTOR's staff any information obtained through the COUNTY conducted background clearance.

- 6.6 CONTRACTOR agrees not to engage or continue to engage the services of any person convicted of any crime involving harm to children, or any crime involving conduct inimical to the health, morals, welfare or safety of others, including but not limited to the offenses specified in Health and

Safety Code, Section 11590 (offenses requiring registration as a controlled substance offender) and those crimes listed in the Penal Code which involve murder, rape, kidnap, abduction, assault and lewd and lascivious acts.

## **7.0 COMPLIANCE WITH THE COUNTY'S LIVING WAGE PROGRAM**

This Contract is subject to the provisions of the COUNTY's ordinance entitled, "Living Wage Program" as codified in Sections 2.201.010 through 2.201.100 of the Los Angeles COUNTY Code, a copy of which is attached as Exhibit B, Attachment N and incorporated by reference into and made a part of this Contract.

### **7.1 Payment of Living Wage Rates**

Unless the CONTRACTOR has demonstrated to the COUNTY's satisfaction either that the CONTRACTOR is not an "Employer" as defined under the Program (Section 2.201.020 of the County Code) or that the CONTRACTOR qualifies for an exception to the Living Wage Program (Section 2.201.090 of the County Code), the CONTRACTOR shall pay its Employees no less than the applicable hourly living wage rate, as set forth immediately below, for the Employees' services provided to the COUNTY, including, without limitation, "Travel Time" as defined below in Sub-section 7.5 of this Section:

7.1.1 Not less than \$11.84 per hour if, in addition to the per-hour wage, the CONTRACTOR contributes less than \$2.20 per hour towards the provision of bona fide health care benefits for its Employees and any dependents; or

7.1.2 Not less than \$9.64 per hour if, in addition to the per-hour wage, the CONTRACTOR contributes at least \$2.20 per hour towards the provision of bona fide health care benefits for its Employees and any dependents. The CONTRACTOR will be deemed to have contributed \$2.20 per hour towards the provision of bona fide health care benefits if the benefits are provided through the COUNTY Department of Health Services Community Health Plan. If, at any time during the Contract, the CONTRACTOR contributes less than \$2.20 per hour towards the provision of bona fide health care benefits, the CONTRACTOR shall be required to pay its Employees the higher hourly living wage rate.

7.2 For the purposes of this Section, "CONTRACTOR" includes any Subcontractor engaged by the CONTRACTOR to perform services for the COUNTY under the Contract. If the CONTRACTOR uses any

Subcontractor to perform services for the COUNTY under the Contract, the Subcontractor shall be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract and a copy of the Living Wage Program shall be attached to the subcontract. "Employee" means any individual, who is an employee of the CONTRACTOR under the laws of California, and who is providing full-time services to the CONTRACTOR, some or all of which are provided to the COUNTY under the Contract. "Full-time" means a minimum of 40 hours worked per week, or a lesser number of hours, if the lesser number is a recognized industry standard and is approved as such by the COUNTY; however, fewer than 35 hours worked per week will not, in any event, be considered full-time.

- 7.3 If the CONTRACTOR is required to pay a living wage when the Contract commences, the CONTRACTOR shall continue to pay a living wage for the entire term of the Contract, including any option period.
- 7.4 If the CONTRACTOR is not required to pay a living wage when the Contract commences, the CONTRACTOR shall have a continuing obligation to review the applicability of its "exemption status" from the living wage requirement. The CONTRACTOR shall immediately notify the COUNTY if the CONTRACTOR at any time either comes within the Living Wage Program's definition of "Employer" or if the CONTRACTOR no longer qualifies for an exception to the Living Wage Program. In either event, the CONTRACTOR shall immediately be required to commence paying the living wage and shall be obligated to pay the living wage for the remaining term of the Contract, including any option period. The COUNTY may also require, at any time during the Contract and at its sole discretion, that the CONTRACTOR demonstrate to the COUNTY's satisfaction that the CONTRACTOR either continues to remain outside of the Living Wage Program's definition of "Employer" and/or that the CONTRACTOR continues to qualify for an exception to the Living Wage Program. Unless the CONTRACTOR satisfies this requirement within the time frame permitted by the COUNTY, the CONTRACTOR shall immediately be required to pay the living wage for the remaining term of the Contract, including any option period.
- 7.5 For purposes of the CONTRACTOR's obligation to pay its Employees the applicable hourly living wage rate under this Contract, "Travel Time" shall have the following two meanings, as applicable: 1) With respect to travel by an Employee that is undertaken in connection with this Contract, Travel Time shall mean any period during which an Employee physically travels to or from a COUNTY facility if the CONTRACTOR pays the Employee any amount for that time or if California law requires the CONTRACTOR to pay the Employee any amount for that time; and 2) With respect to travel by an

Employee between COUNTY facilities that are subject to two different contracts between the CONTRACTOR and the COUNTY (of which both contracts are subject to the Living Wage Program), Travel Time shall mean any period during which an Employee physically travels to or from, or between such COUNTY facilities if the CONTRACTOR pays the Employee any amount for that time or if California law requires the CONTRACTOR to pay the Employee any amount for that time.

#### 7.6 CONTRACTOR's Submittal of Certified Monitoring Reports.

The CONTRACTOR shall submit to the COUNTY certified monitoring reports at a frequency instructed by the COUNTY. The certified monitoring reports shall list all of the CONTRACTOR's Employees during the reporting period. The certified monitoring reports shall also verify the number of hours worked, the hourly wage rate paid, and the amount paid by the CONTRACTOR for health benefits, if any, for each of its Employees. The certified monitoring reports shall also state the name and identification number of the CONTRACTOR's current health care benefits plan, and the CONTRACTOR's portion of the premiums paid as well as the portion paid by each Employee. All certified monitoring reports shall be submitted on forms provided by the COUNTY (Exhibit B, Attachment O, Monthly Certification for Applicable Health Benefit Payments and Exhibit B, Attachment P, Payroll Statement of Compliance) or other form approved by the COUNTY which contains the above information. The COUNTY reserves the right to request any additional information it may deem necessary. If the COUNTY requests additional information, the CONTRACTOR shall promptly provide such information. The CONTRACTOR, through one of its officers, shall certify under penalty of perjury that the information contained in each certified monitoring report is true and accurate.

#### 7.7 CONTRACTOR's Ongoing Obligation to Report Labor Law/Payroll Violations and Claims

During the term of the Contract, if the CONTRACTOR becomes aware of any labor law/payroll violation or any complaint, investigation or proceeding ("claim") concerning any alleged labor law/payroll violation (including but not limited to any violation or claim pertaining to wages, hours and working conditions such as minimum wage, prevailing wage, living wage, the Fair Labor Standards Act, employment of minors, or unlawful employment discrimination), the CONTRACTOR shall immediately inform the COUNTY of any pertinent facts known by the CONTRACTOR regarding same. This disclosure obligation is not limited to any labor law/payroll violation or claim arising out of the CONTRACTOR's Contract with the COUNTY, but instead

applies to any labor law/payroll violation or claim arising out of any of the CONTRACTOR's operations in California.

#### 7.8 COUNTY Auditing of CONTRACTOR Records

Upon a minimum of 24 hours' written notice, the COUNTY may audit, at the CONTRACTOR's place of business, any of the CONTRACTOR's records pertaining to the Contract, including all documents and information relating to the certified monitoring reports. The CONTRACTOR is required to maintain all such records in California until the expiration of four (4) years from the date of final payment under the Contract. Authorized agents of the COUNTY shall have access to all such records during normal business hours for the entire period that records are to be maintained.

#### 7.9 Notifications to Employees

The CONTRACTOR shall place COUNTY-provided living wage posters at each of the CONTRACTOR's places of business and locations where CONTRACTOR's Employees are working. The CONTRACTOR shall also distribute COUNTY-provided notices to each of its Employees at least once per year. The CONTRACTOR shall translate posters and handouts into Spanish and any other language spoken by a significant number of Employees.

#### 7.10 Enforcement and Remedies

If the CONTRACTOR fails to comply with the requirements of this Section, the COUNTY shall have the rights and remedies described in this Section in addition to any rights and remedies provided by law or equity.

7.10.1 Remedies for Submission of Late or Incomplete Certified Monitoring Reports: If the CONTRACTOR submits a certified monitoring report to the COUNTY after the date it is due or if the report submitted does not contain all of the required information or is inaccurate or is not properly certified, any such deficiency shall constitute a breach of Contract. In the event of any such breach, the COUNTY may, in its sole discretion, exercise any or all of the following rights/remedies:

7.10.1.1 Withholding of Payment. If the CONTRACTOR fails to submit accurate, complete, timely and properly certified monitoring reports, the COUNTY may withhold from payment to the CONTRACTOR up to the full amount of any invoice that would otherwise be due, until the CONTRACTOR has satisfied the concerns of the

COUNTY, which may include required submittal of revised certified monitoring reports or additional supporting documentation.

7.10.1.2 Liquidated Damages. It is mutually understood and agreed that the CONTRACTOR's failure to submit an accurate, complete, timely and properly certified monitoring report will result in damages being sustained by the COUNTY. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for the CONTRACTOR's breach. Therefore, in the event that a certified monitoring report is deficient, including but not limited to being late, inaccurate, incomplete or uncertified, it is agreed that the COUNTY may, in its sole discretion, assess against the CONTRACTOR liquidated damages in the amount of \$100 per monitoring report for each day until the COUNTY has been provided with a properly prepared, complete and certified monitoring report. The COUNTY may deduct any assessed liquidated damages from any payments otherwise due the CONTRACTOR.

7.10.2 Termination. The CONTRACTOR's continued failure to submit accurate, complete, timely and properly certified monitoring reports may constitute a material breach of the Contract. In the event of such material breach, the COUNTY may, in its sole discretion, terminate the Contract.

7.11 Remedies for Payment of Less Than the Required Living Wage: If the CONTRACTOR fails to pay any Employee at least the applicable hourly living wage rate, such deficiency shall constitute a breach of Contract. In the event of any such breach, the COUNTY may, in its sole discretion, exercise any or all of the following rights/remedies:

7.11.1 Withholding Payment. If the CONTRACTOR fails to pay one or more of its Employees at least the applicable hourly living wage rate, the COUNTY may withhold from any payment otherwise due the CONTRACTOR the aggregate difference between the living wage amounts the CONTRACTOR was required to pay its Employees for a given pay period and the amount actually paid to the employees for that pay period. The COUNTY may withhold

said amount until the CONTRACTOR has satisfied the COUNTY that any underpayment has been cured, which may include required submittal of revised certified monitoring reports or additional supporting documentation.

7.11.2 Liquidated Damages. It is mutually understood and agreed that the CONTRACTOR's failure to pay any of its Employees at least the applicable hourly living wage rate will result in damages being sustained by the COUNTY. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for the CONTRACTOR's breach. Therefore, it is agreed that the COUNTY may, in its sole discretion, assess against the CONTRACTOR liquidated damages of \$50 per Employee per day for each and every instance of an underpayment to an Employee. The COUNTY may deduct any assessed liquidated damages from any payments otherwise due the CONTRACTOR.

7.11.3 Termination. The CONTRACTOR's continued failure to pay any of its Employees the applicable hourly living wage rate may constitute a material breach of the Contract. In the event of such material breach, the COUNTY may, in its sole discretion, terminate the Contract.

7.12 Debarment: In the event CONTRACTOR breaches a requirement of this Section, the COUNTY may, in its sole discretion, bar the CONTRACTOR from the award of future COUNTY contracts for a period of time consistent with the seriousness of the breach, in accordance with Los Angeles County Code, Chapter 2.202, Determinations of CONTRACTOR Non-Responsibility and CONTRACTOR Debarment.

#### 7.13 Use of Full-Time Employees

The CONTRACTOR shall assign and use full-time Employees of the CONTRACTOR to provide services under the Contract unless the CONTRACTOR can demonstrate to the satisfaction of the COUNTY that it is necessary to use non-full-time Employees based on staffing efficiency or COUNTY requirements for the work to be performed under the Contract. It is understood and agreed that the CONTRACTOR shall not, under any circumstance, use non-full-time Employees for services provided under the Contract unless and until the COUNTY has provided written authorization for the use of same. The CONTRACTOR submitted with its proposal a full-

time Employee staffing plan. If the CONTRACTOR changes its full-time Employee staffing plan, the CONTRACTOR shall immediately provide a copy of the new staffing plan to the COUNTY.

#### **7.14 CONTRACTOR Retaliation Prohibited**

The CONTRACTOR and/or its Employees shall not take any adverse action which would result in the loss of any benefit of employment, any contract benefit, or any statutory benefit for any Employee, person or entity who has reported a violation of the Living Wage Program to the COUNTY or to any other public or private agency, entity or person. A violation of the provisions of this Section may constitute a material breach of the Contract. In the event of such material breach, the COUNTY may, in its sole discretion, terminate the Contract.

#### **7.15 CONTRACTOR Standards**

During the term of the Contract, the CONTRACTOR shall maintain business stability, integrity in employee relations and the financial ability to pay a living wage to its employees. If requested to do so by the COUNTY, the CONTRACTOR shall demonstrate to the satisfaction of the COUNTY that the CONTRACTOR is complying with this requirement.

### **8.0 CONFIDENTIALITY**

- 8.1 CONTRACTOR shall maintain the confidentiality of all records and information in accordance with all applicable federal, State and local laws, rules, regulations, ordinances, directives, guidelines, policies and procedures relating to confidentiality, including, without limitation, COUNTY policies concerning information technology security and the protection of confidential records and information.
- 8.2 CONTRACTOR shall inform all of its officers, employees, agents and Subcontractors providing services hereunder of the confidentiality provisions of this Contract.

- 8.4 CONTRACTOR shall cause each employee performing services covered by this Contract to sign and adhere to Exhibit B, Attachment C-2, "Contractor's Employee Acknowledgment and Confidentiality Agreement." CONTRACTOR shall maintain in its files copies of such executed Agreements.

- 8.5 CONTRACTOR shall cause each non-employee performing services covered by this Contract to sign and adhere to Exhibit B, Attachment D, "Contractor's Non-Employee Acknowledgment and Confidentiality Agreement." CONTRACTOR shall maintain in its files copies of such executed Agreements.
- 8.6 CONTRACTOR shall notify COUNTY of any attempt to obtain confidential records through the legal process.
- 8.7 CONTRACTOR agrees to notify COUNTY in writing within 24 hours of any actual or suspected misuse, misappropriation, unauthorized disclosure of, or unauthorized access to Confidential Information that may come to CONTRACTOR's attention, and that includes unauthorized access to CONTRACTOR's computer or computers (including those of any Subcontractor involved in the relationship) containing CONTRACTOR's or COUNTY's Confidential Information related to this Contract, including names and information of referred clients. Unauthorized access may include a virus or worm that penetrates and gains access to a computer and places a backdoor or keystroke logger on it, or a directed hack/crack that gains access to and some control over a computer.
- 8.8 CONTRACTOR shall indemnify, defend, and hold harmless COUNTY, its officers, employees, and agents, from and against any and all claims, demands, damages, liabilities, losses, costs and expenses, including, without limitation, defense costs and legal, accounting and other expert, consulting, or professional fees, arising from, connected with, or related to any failure by CONTRACTOR, its officers, employees, agents, or subcontractors, to comply with this Section 8.0, as determined by COUNTY in its sole judgment. Any legal defense pursuant to CONTRACTOR's indemnification obligations under this Section 8.0 shall be conducted by CONTRACTOR and performed by counsel selected by CONTRACTOR and approved by COUNTY. Notwithstanding the preceding sentence, COUNTY shall have the right to participate in any such defense at its sole cost and expense, except that in the event CONTRACTOR fails to provide COUNTY with a full and adequate defense, as determined by COUNTY in its sole judgment, COUNTY shall be entitled to retain its own counsel, including, without limitation, County Counsel, and reimbursement from CONTRACTOR for all such costs and expenses incurred by COUNTY in doing so. CONTRACTOR shall not have the right to enter into any settlement, agree to any injunction, or make any admission, in each case, on behalf of COUNTY without COUNTY's prior written approval.
- 8.9 CONTRACTOR shall comply with all applicable laws pertaining to confidentiality. This shall include, but is not limited to, the confidentiality

provisions of Section 827 and Section 10850 of the California Welfare and Institutions Code and MPP Division 19.

- 8.10 CONTRACTOR shall indemnify, defend and hold harmless COUNTY indemnities from and against any and all loss, damage, liability and expense, including defense costs and legal, accounting and other expert, consulting or professional fees, arising from any disclosure of records and information by CONTRACTOR, its officers, employees, or agents, except for any disclosure authorized by law. COUNTY shall have the right to participate in any such defense, except that in the event CONTRACTOR fails to provide COUNTY with a full and adequate defense, as COUNTY determines, COUNTY shall be entitled to retain its own counsel, including County Counsel, and reimbursement from CONTRACTOR for all such costs and expenses incurred by COUNTY in doing so. CONTRACTOR shall not have the right to enter into any settlement, agree to any injunction, or make any admission, in each case, on behalf of COUNTY without COUNTY's prior approval.
- 8.11 With respect to any identifiable information concerning any Participant that is obtained by CONTRACTOR or any other records and information, CONTRACTOR shall: 1) not use any such records or information for any purpose whatsoever other than carrying out the express terms of this Contract; 2) promptly transmit to COUNTY all requests for disclosure of any such records or information; 3) not disclose, except as otherwise specifically permitted by this Contract, any such records or information to any person or organization other than COUNTY without COUNTY's prior written authorization that the records are, or information is, releasable; and 4) at the expiration or termination of this Contract, return all such records and information to COUNTY or maintain such records and information according to the written procedures sent to CONTRACTOR by COUNTY for this purpose.

- 10.2 CONTRACTOR shall not knowingly and with the intent to defraud, fraudulently obtain, retain, attempt to obtain or retain, or aid another in

fraudulently obtaining or retaining or attempting to obtain or retain certification as a Local Small Business Enterprise.

10.3 CONTRACTOR shall not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a COUNTY official or employee for the purpose of influencing the certification or denial of certification of any entity as a Local Small Business Enterprise.

10.4 If CONTRACTOR has obtained COUNTY certification as a Local Small Business Enterprise by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this Contract to which it would not otherwise have been entitled, shall:

10.4.1 Pay to the COUNTY any difference between the Contract amount and what the COUNTY's costs would have been if the Contract had been properly awarded;

10.4.2 In addition to the amount described in Sub-Section 11.4.1, be assessed a penalty in an amount of not more than ten percent (10%) of the amount of the Contract; and

### **3.0 AMERICANS WITH DISABILITIES ACT (ADA)**

### **4.0 ASSIGNMENT AND DELEGATION**

- 4.1 CONTRACTOR shall not assign its rights or delegate its duties under this Contract, or both, whether in whole or in part, without the prior written consent of COUNTY, in its discretion, and any attempted assignment or delegation without such consent shall be null and void. For purposes of this sub-section, COUNTY consent shall require a written amendment to the Contract, which is formally approved and executed by the parties. If the CONTRACTOR's prices decline, or should the CONTRACTOR at any time during the term of this Contract provide the same goods or services under similar quantity and delivery conditions to the State of California or any COUNTY, municipality or district of the State at prices below those set forth in this Contract, then such lower prices shall be immediately extended to the COUNTY.

## **34.0 NON-DISCRIMINATION AND AFFIRMATIVE ACTION**

- 34.1 CONTRACTOR certifies and agrees that all persons employed by it, its affiliates, subsidiaries or holding companies, are and shall be treated equally without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable federal and State anti-discrimination laws and regulations.
- 34.2 CONTRACTOR shall certify to, and comply with, the provisions of Exhibit B, Attachment A, Contractor's Equal Employment Opportunity (EEO) Certification.
- 34.3 CONTRACTOR shall take affirmative action to ensure that applicants are employed and that employees are treated during employment without regard to race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable federal and State anti-discrimination laws and regulations. Such action shall include, but is not limited to: employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.
- 34.4 CONTRACTOR certifies and agrees that it will deal with its Subcontractors, bidders, or vendors without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation.
- 34.5 CONTRACTOR certifies and agrees that it, its affiliates, subsidiaries, or holding companies shall comply with all applicable federal and State laws and regulations to the end that no person shall, on the grounds of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program or activity supported by this Contract.
- 34.6 CONTRACTOR shall allow COUNTY representatives access to CONTRACTOR's employment records during regular business hours to verify compliance with the provisions of this section when so requested by COUNTY.
- 34.7 If the COUNTY finds that any of the above provisions have been violated, such violation shall constitute a material breach of Contract upon which COUNTY may determine to terminate this Contract. While the COUNTY reserves the right to determine independently that the anti-discrimination provisions of this Contract have been violated, in addition, a determination

by the California Fair Employment Opportunity Commission or the Federal Equal Employment Opportunity Commission that the CONTRACTOR has violated Federal or State anti-discrimination laws or regulations shall constitute a finding by COUNTY that the CONTRACTOR has violated the anti-discrimination provisions of this Contract.

- 34.8 The parties agree that in the event the CONTRACTOR violates any of the anti-discrimination provisions of this Contract, the COUNTY shall, at its sole option, be entitled to the sum of Five Hundred Dollars (\$500) for each such violation pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or suspending this Contract.

### **37.0 NON EXCLUSIVITY**

Nothing herein is intended nor shall be construed as creating any exclusive arrangement with CONTRACTOR. This Contract shall not restrict DCFS from acquiring similar, equal or like goods and/or services from other entities or sources.

### **38.0 NOTICE OF DELAYS**

Except as otherwise provided under this Contract, when CONTRACTOR has knowledge that any actual or potential situation is delaying or threatens to delay the timely performance of this Contract, CONTRACTOR shall, within one (1) day, give written notice to COUNTY including all relevant information with respect thereto, to the other party.

### **39.0 NOTICE OF DISPUTE**

The CONTRACTOR shall bring to the attention of the COUNTY Program Manager any dispute between the COUNTY and the CONTRACTOR regarding the performance of services as stated in this Contract. If the COUNTY Program Manager is not able to resolve the dispute, the Director, or designee shall resolve it.

### **40.0 NOTICE TO EMPLOYEES REGARDING THE FEDERAL EARNED INCOME CREDIT**

CONTRACTOR shall notify its employees, and shall require each Subcontractor to notify its employees, that they may be eligible for the Federal Earned Income Credit under the federal income tax laws. Such notice shall be provided in accordance with the requirements set forth in Internal Revenue Services Notice 1015, attached hereto as Exhibit B, Attachment F.

### **41.0 NOTICES**

All notices or demands required or permitted to be given or made under this Contract shall be given in writing and shall be hand delivered with signed receipt or mailed by first-class registered or certified mail, postage prepaid, addressed to the parties as identified in Attachment I, CONTRACTOR's Administration and Attachment J, COUNTY's Administration. Addresses may be changed by either party giving 10 days prior written notice thereof to the other party. The Director shall have the authority to issue all notices or demands required or permitted by the COUNTY under this Contract.

## **42.0 PROHIBITION AGAINST INDUCEMENT OR PERSUASION**

Notwithstanding the above, CONTRACTOR and COUNTY agree that, during the term of this Contract and for a period of one year thereafter, neither party shall in any way intentionally induce or persuade any employee of one party to become an employee or agent of the other party. No bar exists against any hiring action initiated through a public announcement.

## **43.0 PROPRIETARY RIGHTS**

43.1 COUNTY and CONTRACTOR agree that all materials, data and information developed under and/or used in connection with this Contract shall become the sole property of COUNTY, provided that CONTRACTOR may retain possession of all working papers prepared by CONTRACTOR. During and subsequent to the term of this Contract, COUNTY shall have the right to inspect any and all such working papers, make copies thereof, and use the working papers and the information contained therein.

43.2 Notwithstanding any other provision of this Contract, COUNTY and CONTRACTOR agree that COUNTY shall have all ownership rights in software or modification thereof and associated documentation designed, developed or installed with federal financial participation; additionally, the Federal Government shall have a royalty-free, nonexclusive, and irrevocable license to reproduce, publish, or otherwise use and to authorize others to use for Federal Government purposes, such software, modifications and documentation. Notwithstanding any other provision of this Contract, proprietary operating/vendor software packages (e.g., ADABAS or TOTAL) which are provided at established catalog or market prices and sold or leased to the general public shall not be subject to the ownership provisions of this Section. CONTRACTOR may retain possession of all working papers prepared by CONTRACTOR. During and subsequent to the term of this Contract, COUNTY shall have the right to inspect any and all such working papers, make copies thereof, and use the working papers and the information contained therein.

- 43.3 Any materials, data and information not developed under this Contract, which CONTRACTOR considers to be proprietary and confidential, shall be plainly and prominently marked by CONTRACTOR as "TRADE SECRET," "PROPRIETARY," or "CONFIDENTIAL."
- 43.4 COUNTY will use reasonable means to ensure that CONTRACTOR's proprietary and confidential materials, data and information are safeguarded and held in confidence. However, COUNTY will notify CONTRACTOR of any Public Records Act request for items described in Section 44.0. COUNTY agrees not to reproduce or distribute such materials, data and information to non-COUNTY entities without the prior written permission of CONTRACTOR.
- 43.5 Notwithstanding any other provision of this Contract, COUNTY shall not be obligated in any way under Sub-section 43.4 for:
- 43.5.1 Any material, data and information not plainly and prominently marked with restrictive legends as set forth in Sub-section 43.3.
- 43.5.2 Any materials, data and information covered under Sub-section 43.2; and
- 43.5.3 Any disclosure of any materials, data and information which COUNTY is required to make under the California Public Records Act or otherwise by law.
- 43.6 CONTRACTOR shall protect the security of and keep confidential all materials, data and information received or produced under this Contract. Further, CONTRACTOR shall use whatever security measures are necessary to protect all such materials, data and information from loss or damage by any cause, including, but not limited to, fire and theft.
- 43.7 CONTRACTOR shall not disclose to any party any information identifying, characterizing or relating to any risk, threat, vulnerability, weakness or problem regarding data security in COUNTY's computer systems or to any safeguard, countermeasure, contingency plan, policy or procedure for data security contemplated or implemented by COUNTY, without COUNTY's prior written consent.
- 43.8 The provisions of Sections 43.0 shall survive the expiration or termination of this Contract.

#### **44.0 PUBLIC RECORDS ACT**

- 44.1 Any documents submitted by CONTRACTOR, all information obtained in connection with the COUNTY's right to audit and inspect CONTRACTOR's documents, books, and accounting records pursuant to Part II, Record Retention and Inspection/Audit Settlement, of this Contract, as well as those documents which were required to be submitted in response to the solicitation process for this Contract, become the exclusive property of the COUNTY. All such documents become a matter of public record and shall be regarded as public records. Exceptions will be those elements in California Government Code Section 6250 et seq. (Public Records Act) and which are marked "trade secret," "confidential," or "proprietary." The COUNTY shall not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order of court of competent jurisdiction.
- 44.2 In the event the COUNTY is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a bid or proposal marked "trade secret," "confidential," or "proprietary," the CONTRACTOR agrees to defend and indemnify the COUNTY from all costs and expenses, including reasonable attorney's fees, in action or liability arising under the Public Records Act.

## **45.0 PUBLICITY**

- 45.1 The CONTRACTOR shall not disclose any details in connection with this Contract to any person or entity except as may be otherwise provided hereunder or required by law. However, in recognizing the CONTRACTOR's need to identify its services and related clients to sustain itself, the COUNTY shall not inhibit the CONTRACTOR from publishing its role under this Contract within the following conditions:
- 45.1.1 The CONTRACTOR shall develop all publicity material in a professional manner; and
- 46.1.2 During the term of this Contract, the CONTRACTOR shall not, and shall not authorize another to, publish or disseminate any commercial advertisements, press releases, feature articles or other materials using the name of the COUNTY without the prior written consent of the COUNTY's Project Director. The COUNTY shall not unreasonably withhold written consent.
- 45.2 The CONTRACTOR may, without the prior written consent of COUNTY, indicate in its proposals and sales materials that it has been awarded this

Contract with the County of Los Angeles, provided that the requirements of this Sub-section shall apply.

#### **46.0 RECORD RETENTION AND INSPECTION/AUDIT SETTLEMENT**

- 46.1 CONTRACTOR shall maintain accurate and complete financial records of its activities and operations relating to this Contract in accordance with generally accepted accounting principles. CONTRACTOR shall also maintain accurate and complete employment and other records relating to its performance of this Contract.
- 46.2 CONTRACTOR agrees that the COUNTY, or its authorized representatives, the State of California, or its authorized representatives, or the federal government, or its authorized representatives, including, but not limited to, the U. S. Comptroller General, shall have access to and the right to examine, audit, excerpt, copy or transcribe any pertinent transaction, activity, or records relating to this Contract. All financial records, supporting documents, statistical records and all other records pertinent to the award and performance of this Contract, including, but not limited to, all timecards and other employment records and confidential information, shall be kept and maintained by CONTRACTOR at a location in Los Angeles County and shall be made available to COUNTY, State or federal authorities, during the term of this Contract and either for a period of five (5) years after the expiration of the term of this Contract or for a period of three (3) years from COUNTY's final payment under this Contract, whichever date is later. If before the expiration of that time period, any litigation, claim, financial management review, or audit is started, the records shall be retained until all litigation, claims or audit findings involving the records have been resolved and final action taken. If such material is located outside of Los Angeles County, then, at COUNTY's sole option, CONTRACTOR shall pay COUNTY for travel per diem and other costs incurred by COUNTY in exercising its rights under this Section. CONTRACTOR shall maintain all records in accordance with California State records and retention regulations including the provisions of California Department of Social Services Manual, Section 23-353.
- 46.3 In the event that an audit of the CONTRACTOR is conducted specifically regarding this Contract by any federal or State auditor, or by any auditor or accountant employed by the CONTRACTOR or otherwise, then the CONTRACTOR shall file a copy of such audit report with the COUNTY's Auditor-Controller within 30 days of the CONTRACTOR's receipt thereof, unless otherwise provided by applicable federal or State law or under this Contract. Subject to applicable law, the COUNTY shall make a reasonable effort to maintain the confidentiality of such audit report(s).

- 46.4 Failure on the part of the CONTRACTOR to comply with any of the provisions of this Section shall constitute a material breach of this Contract upon which the COUNTY may terminate or suspend this Contract.
- 46.5 If, at any time during the term of this Contract or within five (5) years after the expiration or termination of this Contract, representatives of the COUNTY conduct an audit of the CONTRACTOR regarding the work performed under this Contract, and if such audit finds that the COUNTY's dollar liability for any such work is less than payments made by the COUNTY to the CONTRACTOR, then the difference shall be either: a) repaid by the CONTRACTOR to the COUNTY by cash payment upon demand; or b) at the sole option of the COUNTY's Auditor-Controller, deducted from any amounts due to the CONTRACTOR from the COUNTY, whether under this Contract or otherwise. If such audit finds that the COUNTY's dollar liability for such work is more than the payments made by the COUNTY to the CONTRACTOR, then the difference shall be paid to the CONTRACTOR by the COUNTY by cash payment, provided that in no event shall the COUNTY's maximum obligation for this Contract exceed the funds appropriated by the COUNTY for the purpose of this Contract.
- 46.6 CONTRACTOR shall be responsible for conducting annual financial audits of its agency and its subcontractor(s) if required by COUNTY and/or the California Department of Social Services (CDSS), to be conducted by an independent audit firm and in accordance with generally accepted auditing standards. Within 30 calendar days after issuance of such audit reports, CONTRACTOR shall forward copies of such reports to DCFS.
- 46.7 In addition to the above, the CONTRACTOR agrees, should the COUNTY or its authorized representatives determine, in the COUNTY's sole discretion, that it is necessary or appropriate to review a broader scope of the CONTRACTOR's records (including, certain records related to non-COUNTY contracts) to enable the COUNTY to evaluate the CONTRACTOR's compliance with the COUNTY's Living Wage Program, that the CONTRACTOR shall promptly and without delay provide to the COUNTY, upon the written request of the COUNTY or its authorized representatives, access to and the right to examine, audit, excerpt, copy, or transcribe any and all transactions, activities, or records relating to any of its employees who have provided services to the COUNTY under this Contract, including without limitation, records relating to work performed by said employees on the CONTRACTOR's non-COUNTY contracts. The CONTRACTOR further acknowledges that the foregoing requirement in this sub-section relative to CONTRACTOR's employees who have provided services to the COUNTY under this Contract is for the purpose of enabling the COUNTY in its discretion to verify the CONTRACTOR's full compliance with and adherence to California labor laws and the COUNTY's

Living Wage Program. All such materials and information, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information, shall be kept and maintained by the CONTRACTOR and shall be made available to the COUNTY during the term of this Contract and for a period of five (5) years after the expiration of the term of this Contract or for a period of three (3) years from COUNTY's final payment under this Contract, whichever date is later. All such materials and information shall be maintained by the CONTRACTOR at a location in Los Angeles County, provided that if any such materials and information is located outside Los Angeles County, then, at the COUNTY's option, the CONTRACTOR shall pay the COUNTY for travel, per diem, and other costs incurred by the COUNTY to examine, audit, excerpt, copy, or transcribe such materials and information at such other location.

#### **47.0 RECYCLED-CONTENT PAPER**

Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at the COUNTY landfills, the CONTRACTOR agrees to use recycled-content paper to the maximum extent possible on this Contract.

#### **48.0 SAFELY SURRENDERED BABY LAW**

48.1 CONTRACTOR's Acknowledgement of COUNTY's Commitment to the Safely Surrendered Baby Law.

The CONTRACTOR acknowledges that the COUNTY places a high priority on the implementation of the Safely Surrendered Baby Law. The CONTRACTOR understands that it is the COUNTY's policy to encourage all COUNTY CONTRACTORS to voluntarily post the COUNTY's "Safely Surrendered Baby Law" poster in a prominent position at the CONTRACTOR's place of business. The CONTRACTOR will also encourage its Subcontractors, if any, to post this poster in a prominent position in the Subcontractor's place of business. The COUNTY's Department of Children and Family Services will supply the CONTRACTOR with the poster to be used. Information on how to receive the poster can be found on the Internet at [www.babysafela.org](http://www.babysafela.org).

48.2 Notice to Employees Regarding the Safely Surrendered Baby Law.

CONTRACTOR shall notify and provide to its employees, and shall require each Subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The fact

sheet is set forth in Exhibit B, Attachment H, of this Contract and is also available on the Internet at [www.babysafela.org](http://www.babysafela.org) for printing purposes.

#### **49.0 SHRED DOCUMENTS**

- 49.1 CONTRACTOR shall ensure that all confidential documents and papers, as defined under state law (including, but not limited to Welfare and Institutions Code section 10850) relating to this Contract must be shredded and not put in trash containers when CONTRACTOR disposes of these documents and papers. All documents and papers to be shredded are to be placed in a locked or secured container/bin/box and labeled "shred" until they are destroyed. No confidential documents and papers are to be recycled.
- 49.2 Documents for record and retention purposes in accordance with Subsection (Record Retention and Inspection/Audit Settlement) of this Contract are to be maintained for a period of five (5) years.

#### **50.0 SUBCONTRACTING**

- 50.1 The requirements of this Contract may not be subcontracted by the CONTRACTOR **without the advance approval of the COUNTY**. Any attempt by the CONTRACTOR to subcontract without the prior consent of the COUNTY may be deemed a material breach of this Contract.
- 50.2 If the CONTRACTOR desires to subcontract, the CONTRACTOR shall provide the following information promptly at the COUNTY's request:
  - 50.2.1 A description of the work to be performed by the Subcontractor;
  - 50.2.2 A draft copy of the proposed subcontract; and
  - 50.2.3 Other pertinent information and/or certifications requested by the COUNTY.
- 50.3 CONTRACTOR shall indemnify and hold the COUNTY harmless with respect to the activities of each and every Subcontractor in the same manner and to the same degree as if such Subcontractor(s) were CONTRACTOR employees.
- 50.4 CONTRACTOR shall remain fully responsible for all performances required of it under this Contract, including those that the CONTRACTOR has determined to subcontract, notwithstanding the COUNTY's approval of the CONTRACTOR's proposed subcontract.

- 50.5 COUNTY's consent to subcontract shall not waive the COUNTY's right to prior and continuing approval of any and all personnel, including Subcontractor employees, providing services under this Contract. The CONTRACTOR is responsible to notify its Subcontractors of this COUNTY right.
- 50.6 The COUNTY Program Manager is authorized to act for and on behalf of the COUNTY with respect to approval of any subcontract and Subcontractor employees. CONTRACTOR shall provide COUNTY Program Manager with copies of all executed subcontracts after COUNTY Program's approval.
- 50.7 CONTRACTOR shall obtain the following from each Subcontractor before any Subcontractor employee may perform any work under any subcontract to this Contract. CONTRACTOR shall maintain and make available upon request of COUNTY Program Manager all the following documents:
- 50.7.1 An executed Exhibit B, Attachment C-1, "CONTRACTOR's Employee Acknowledgment and Confidentiality Agreement," executed by each Subcontractor and each of Subcontractor's employees approved to perform work hereunder;
- 50.7.2 Certificates of Insurance which establish that the Subcontractor maintains all the programs of insurance required by Part I, Insurance Coverage Requirements, of this Contract; and
- 50.7.3 The Tax Identification Number of the subcontracting agency to be placed on the signature page of the subcontract. This Tax Identification Number shall not be identical to the CONTRACTOR's Tax Identification Number.
- 50.8 No subcontract shall alter in any way any legal responsibility of CONTRACTOR to COUNTY. CONTRACTOR shall remain responsible for any and all performance required of it under this Contract, including, but not limited to, the obligation to properly supervise, coordinate and perform all work required hereunder.
- 50.9 Notwithstanding any other provision of this Contract, the parties do not in any way intend that any person or entity shall acquire any rights as a third party beneficiary of this Contract.
- 50.10 CONTRACTOR shall be solely liable and accountable for any and all payments and other compensation to all Subcontractor's engaged hereunder and their officers, employees and agents. COUNTY shall have no liability or responsibility whatsoever for any payment or other

compensation for any Subcontractors or their officers, employees and agents.

## **51.0 TERMINATION FOR CONTRACTOR'S DEFAULT**

51.1 COUNTY may, by written notice to the CONTRACTOR, terminate the whole or any part of this Contract, if, in the judgment of COUNTY Program Manager:

51.1.1 CONTRACTOR has materially breached this Contract;

51.1.2 CONTRACTOR fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required under this Contract; or

51.1.3 CONTRACTOR fails to demonstrate a high probability of timely fulfillment of performance requirements under this Contract, or of any obligations of this Contract and in either case, fails to demonstrate convincing progress toward a cure within five (5) working days (or such longer period as the COUNTY may authorize in writing) after receipt of written notice from the COUNTY specifying such failure.

51.2 In the event COUNTY terminates this Contract in whole or in part as provided in Sub-section 51.1, the COUNTY may procure, upon such terms and in such manner, as COUNTY may deem appropriate, services similar to those so terminated. CONTRACTOR shall be liable to the COUNTY for any and all excess cost incurred by the COUNTY, as determined by the COUNTY, for such similar goods and services. The CONTRACTOR shall continue the performance of this Contract to the extent not terminated under the provisions of this Section.

51.3 Except with respect to defaults of any Subcontractor, the CONTRACTOR shall not be liable for any such excess costs of the type identified in Sub-section 51.2 if its failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of the CONTRACTOR. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the COUNTY in either its sovereign or contractual capacity, acts of federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the CONTRACTOR. If the failure to perform is caused by the default of a Subcontractor, and if such default arises out of causes beyond the control of both the CONTRACTOR and Subcontractor,

and without the fault or negligence of either of them, the CONTRACTOR shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit the CONTRACTOR to meet the required performance schedule. As used in this Sub-section, the terms "Subcontractor" and "Subcontractors" mean Subcontractor(s) at any tier.

51.4 If, after the COUNTY has given notice of termination under the provisions of this Section, it is determined by the COUNTY that the CONTRACTOR was not in default under the provisions of this Section or that the default was excusable under the provisions of Sub-section 51.3, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Part II, Termination for Convenience.

51.5 In the event the COUNTY terminates this Contract in its entirety due to the CONTRACTOR's default as provided in Sub-section 51.1, the CONTRACTOR and the COUNTY agree that the COUNTY will have actual damages, which are extremely difficult to calculate and impracticable to fix and which will include, but are not limited to, the COUNTY's costs of procurement of replacement services and costs incurred due to delays in procuring such services. Therefore, the CONTRACTOR and the COUNTY agree that the COUNTY shall, at its sole option and in lieu of the provisions of Sub-section 51.2, be entitled to liquidated damages from the CONTRACTOR, pursuant to California Civil Code Section 1671, in the amount of Five Thousand Dollars (\$5,000) or five percent (5%) of the applicable year's Contract sum, whichever is less, as equitable compensation to the COUNTY for such actual damages. This amount of liquidated damages shall be either paid by the CONTRACTOR to the COUNTY by cash payment upon demand or, at the sole discretion of COUNTY, or designee, deducted from any amounts due to the CONTRACTOR by the COUNTY, whether under this Contract or otherwise.

51.5.1 These liquidated damages shall be in addition to any credits, which the COUNTY is otherwise entitled to under this Contract, and the CONTRACTOR's payment of these liquidated damages shall not in any way change, or affect the provisions of Part II, Indemnification.

51.6 The rights and remedies of the COUNTY provided in this Section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

## **52.0 TERMINATION FOR CONVENIENCE**

- 52.1 This Contract may be terminated, in whole or in part, from time to time, when such action is deemed by the COUNTY, in its sole discretion, to be in its best interest. Termination of work hereunder shall be effected by notice of termination to CONTRACTOR specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than 10 days after the notice is sent.
- 52.2 After receipt of a Notice of Termination and except as otherwise directed by COUNTY, the CONTRACTOR shall:
- 52.2.1 Stop work under this Contract on the date and to the extent specified in such notice, and
- 52.2.2 Complete performances of such part of the work as shall not have been terminated by such notice.
- 52.3 All material including books, records, documents, or other evidence bearing on the costs and expenses of the CONTRACTOR under this Contract shall be maintained by the CONTRACTOR in accordance with Part II, Record Retention and Inspection/Audit Settlement.

### **53.0 TERMINATION FOR IMPROPER CONSIDERATION**

- 53.1 COUNTY may, by written notice to CONTRACTOR, immediately terminate the right of the CONTRACTOR to proceed under this Contract if it is found that consideration, in any form, was offered or given by the CONTRACTOR, either directly or through an intermediary, to any COUNTY officer, employee or agent with the intent of securing this Contract or securing favorable treatment with respect to the award, amendment or extension of this Contract or the making of any determinations with respect to the CONTRACTOR's performance pursuant to this Contract. In the event of such termination, the COUNTY shall be entitled to pursue the same remedies against CONTRACTOR as it could pursue in the event of default by the CONTRACTOR.
- 53.2 CONTRACTOR shall immediately report any attempt by a COUNTY officer or employee to solicit such improper consideration. The report shall be made either to the COUNTY manager charged with the supervision of the employee or to the COUNTY Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.
- 53.3 Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment, or tangible gifts.

## **54.0 TERMINATION FOR INSOLVENCY**

54.1 COUNTY may terminate this Contract forthwith in the event of the occurrence of any of the following:

54.1.1 Insolvency of the CONTRACTOR. The CONTRACTOR shall be deemed to be insolvent if it has ceased to pay its debts for at least 60 days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the Federal Bankruptcy Code and whether or not the CONTRACTOR is insolvent within the meaning of the Federal Bankruptcy Code;

54.1.2 The filing of a voluntary or involuntary petition regarding the CONTRACTOR under the Federal Bankruptcy Code;

54.1.3 The appointment of a Receiver or Trustee for the CONTRACTOR;  
or

54.1.4 The execution by the CONTRACTOR of a general assignment for the benefit of creditors.

54.2 The rights and remedies of the COUNTY provided in this Section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

## **55.0 TERMINATION FOR NON-ADHERENCE OF COUNTY LOBBYIST ORDINANCE**

CONTRACTOR and each COUNTY lobbyist or COUNTY lobbying firm, as defined in County Code Section 2.160.010, retained by CONTRACTOR, shall fully comply with the COUNTY's Lobbyist Ordinance, County Code Chapter 2.160. Failure on the part of CONTRACTOR or any COUNTY lobbyist or COUNTY lobbying firm retained by the CONTRACTOR to fully comply with the COUNTY's Lobbyist Ordinance shall constitute a material breach of this Contract, upon which the COUNTY may, in its sole discretion, immediately terminate or suspend this Contract.

## **56.0 TERMINATION FOR NON-APPROPRIATION OF FUNDS**

Notwithstanding any other provision of this Contract, the COUNTY shall not be obligated for the CONTRACTOR's performance hereunder or by any provision of this Contract during any of the COUNTY's future fiscal years unless and until the COUNTY's Board of Supervisors appropriates funds for this Contract in the

COUNTY's budget for each such future fiscal year. In the event that funds are not appropriated for this Contract, then this Contract shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The COUNTY shall notify the CONTRACTOR in writing of any such non-allocation of funds at the earliest possible date.

#### **57.0 VALIDITY**

If any provision of this Contract or the application thereof to any person or circumstance is held invalid, the remainder of this Contract and the application of such provision to other persons or circumstances shall not be affected thereby.

#### **58.0 WAIVER**

No waiver by the COUNTY of any breach of any provision of this Contract shall constitute a waiver of any other breach or of such provision. Failure of the COUNTY to enforce at any time, or from time to time, any provision of this Contract shall not be construed as a waiver thereof. The rights and remedies set forth in this Section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

#### **59.0 WARRANTY AGAINST CONTINGENT FEES**

59.1 CONTRACTOR warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon any Contract or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the CONTRACTOR for the purpose of securing business.

59.2 For breach of this warranty, the COUNTY shall have the right to terminate this Contract and, at its sole discretion, deduct from the Contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage or contingent fee.

#### **60.0 WARRANTY AGAINST EXCLUSION, DEBARMENT OR SUSPENSION**

CONTRACTOR certifies that neither it nor its principals are presently debarred, excluded suspended, or proposed for debarment, or otherwise declared ineligible from participation in this Contract by any governmental department or agency. CONTRACTOR must notify COUNTY Program Manager within 30 days if debarred, excluded or suspended by any governmental entity during the Contract period.

### **1.0 PREAMBLE**

For over a decade, the County has collaborated with its community partners to enhance the capacity of the health and human services system to improve the lives of children and families. These efforts require, as a fundamental expectation, that the County's contracting partners share the County's and community's commitment to provide health and human services that support achievement of the County's vision, goals, values, and adopted outcomes. Key to these efforts is the integration of service delivery systems and the adoption of the Customer Service and Satisfaction Standards.

The County of Los Angeles' Vision is to improve the quality of life in the County by providing responsive, efficient, and high quality public services that promote the self-sufficiency, well-being and prosperity of individuals, families, businesses and communities. This philosophy of teamwork and collaboration is anchored in the shared values of:

- |                   |                         |
|-------------------|-------------------------|
| ➤ Responsiveness  | ➤ Integrity             |
| ➤ Professionalism | ➤ Customer Orientation  |
| ➤ Accountability  | ➤ A Can-Do Attitude     |
| ➤ Compassion      | ➤ Respect for Diversity |
|                   | ➤ Leadership            |

These shared values are encompassed in the County Mission to enrich lives through effective and caring service and the COUNTY Strategic Plan's five goals: 1) Operational Effectiveness 2) Children, Family, and Adult Well-Being; 3) Community and Municipal Services; 4) Health and Mental Health; and 5) Public Safety. Improving the well-being of children and families requires coordination, collaboration, and integration of services across functional and jurisdictional boundaries, by and between COUNTY departments/agencies, and community and contracting partners.

The basic conditions that represent the well being we seek for all children and families in Los Angeles County are delineated in the following five outcomes, adopted by the Board of Supervisors in January 1993.

- Good Health;
- Economic Well-Being;
- Safety and Survival;
- Emotional and Social Well-Being; and

- Education and Workforce Readiness.

Recognizing that no single strategy - in isolation - can achieve the County's outcomes of well-being for children and families, consensus has emerged among County and community leaders that making substantial improvements in integrating the County's health and human services system is necessary to significantly move toward achieving these outcomes. The County has also established the following values and goals for guiding this effort to integrate the health and human services delivery system:

- ✓ Families are treated with respect in every encounter they have with the health, educational, and social services systems.
- ✓ Families can easily access a broad range of services to address their needs, build on their strengths, and achieve their goals.
- ✓ There is no "wrong door"- wherever a family enters the system is the right place.
- ✓ Families receive services tailored to their unique situations and needs.
- ✓ Service providers and advocates involve families in the process of determining service plans, and proactively provide families with coordinated and comprehensive information, services, and resources.
- ✓ The County service system is flexible, able to respond to service demands for both the countywide population and specific population groups.
- ✓ The County service system endeavors to strengthen communities, recognizing that just as individuals live in families, families live in communities.
- ✓ In supporting families and communities, County agencies work seamlessly with public and private service providers, community-based organizations, and other community partners.
- ✓ County agencies and their partners work together to achieve substantial progress towards making the system more strength-based, family-focused, culturally-competent, easily-accessible, user-friendly, as well as responsive, cohesive, efficient, professional, and accountable.

- ✓ County agencies and their partners focus on administrative and operational enhancements to optimize the sharing of information, resources, and best practices while protecting the privacy rights of families.
- ✓ County agencies and their partners pursue multi-disciplinary service delivery, a single service plan, staff development opportunities, infrastructure enhancements, customer service, satisfaction evaluation, and revenue maximization.
- ✓ County agencies and their partners create incentives to reinforce the trend towards service integration and a seamless service delivery system.
- ✓ The County human services system embraces a commitment to the disciplined pursuit of results-accountability across systems. Specifically, any strategy designed to improve the County human services system for children and families should ultimately be judged by whether it helps achieve the County's five outcomes for children and families: good health, safety and survival, economic well being, social and emotional well-being, and education and workforce readiness.

The County, its clients, contracting partners, and the community are working together to develop practical ways to make County services more accessible, customer friendly, better integrated, and outcome-focused. Several departments have identified shared themes in their strategic plans for achieving these goals including: making an effort to become more consumer/client-focused; valuing community partnerships and collaborations; emphasizing values and integrity; and using a strengths-based and multi-disciplinary team approach. County departments are also working to provide the Board of Supervisors and the community with a better understanding of how resources are being utilized, how well services are being provided, and what are the results of the services, i.e. is anyone better off?

The County of Los Angeles health and human service departments and their partners are working together to achieve the following **Customer Service And Satisfaction** Standards in support of improving outcomes for children and families:

*Personal Service Delivery*

The service delivery team – staff and volunteers – will treat customers and each other with courtesy, dignity, and respect.

- Introduce themselves by name
- Listen carefully and patiently to customers
- Be responsive to cultural and linguistic diversities
- Explain procedures clearly
- Build on the strengths of families and communities

#### Service Access

Service providers will work proactively to facilitate customer access to services.

- Provide services as promptly as possible
- Provide clear directions and service information
- Reach out to the community and promote available services
- Involve families in service plan-development
- Follow up to ensure appropriate delivery of services

#### Service Environment

Service providers will deliver services in a clean, safe, and welcoming environment, which supports the effective delivery of services.

- Ensure a safe environment
- Ensure a professional atmosphere
- Display vision, mission, and values statements
- Provide a clean and comfortable waiting area
- Ensure privacy
- Post complaint and appeals procedures

The basis for all County health and human services contracts is the provision of the highest level of quality services that support improved outcomes for children and families. The County and its contracting partners must work together and share a commitment to achieve a common vision, goals, outcomes, and standards for providing services.

**AUDITOR–CONTROLLER CONTRACT ACCOUNTING  
AND ADMINISTRATION HANDBOOK**

The following handbook is designed for inclusion in most contracts for services entered into by County departments. The purpose of the handbook is to establish accounting, internal control, financial reporting, and contract administration standards for organizations (contractors) who contract with the County.

## **AUDITOR-CONTROLLER CONTRACT ACCOUNTING AND ADMINISTRATION HANDBOOK**

The purpose of this Handbook is to establish required accounting, financial reporting, and internal control standards for entities (contractor), which contract with the Los Angeles County.

The accounting, financial reporting and internal control standards described in this Handbook are fundamental. These standards are not intended to be all-inclusive or replace acceptable existing procedures or preclude the use of more sophisticated methods. Instead, this Handbook represents the minimum required procedures and controls that must be incorporated into a CONTRACTOR's accounting and financial reporting systems. The internal control standards described are those that apply to organizations with adequate staffing. Organizations with a smaller staff must attempt to comply with the intent of the standards and implement internal control systems appropriate to the size of their staff/organization. The CONTRACTOR's Subcontractors must also follow these standards unless otherwise stated in the Contract.

### **A. ACCOUNTING AND FINANCIAL REPORTING**

#### **1.0 BASIS OF ACCOUNTING**

Contractors may elect to use either the cash basis or accrual basis method of accounting for recording financial transactions. Monthly invoices must be prepared on the same basis that is used for recording financial transactions.

- 1.1 The County recommends the use of the accrual basis for recording financial transactions.

##### Accrual Basis

Under the accrual basis, revenues are recorded in the accounting period in which they are earned (rather than when cash is received). Expenditures are recorded in the accounting period in which they are incurred (rather than when cash is disbursed).

##### Accruals

Accruals shall be recorded observing the following:

- Only accruals where cash will be disbursed within six months of the accrual date should be recorded.
  - Recorded accruals must be reversed in the subsequent accounting period.
- 1.2 If an agent elects to use the cash basis for recording financial transactions during the year:

- Necessary adjustments must be made to record the accruals at the beginning and the end of the Contract.
- All computations, supporting records, and explanatory notes used in converting from cash basis to the accrual basis must be retained.

### 1.3 Prepaid Expenses

Prepaid expenses (e.g., insurance, service agreements, lease agreements, etc.) should only be expensed during a given Agreement year to the extent goods and services are received during that Agreement year.

## 2.0 ACCOUNTING SYSTEM

Each agent shall maintain a double entry accounting system (utilizing debits and credits) with a General Journal, a Cash Receipts Journal, a General Ledger, and a Cash Disbursements Journal. The County recommends that a Payroll Register also be maintained. Postings to the General Ledger and Journals should be made on a monthly basis.

### 2.1 General Journal

A General Journal shall be maintained for recording adjusting entries, reversing entries, closing entries, and other financial transactions not normally recorded in the Cash Receipts Journal or Cash Disbursements Journal. Entries in the General Journal must be adequately documented, and entered in chronological order with sufficient explanatory notations.

Example:	DR	CR
Rent Expense	100	
Rent Payable		100

To record accrued rent to March 31, 20XX

### 2.2 Cash Receipts Journal

A Cash Receipts Journal shall be maintained for recording all cash receipts (e.g., County warrants, contributions, interest income, etc.).

The Cash Receipts Journal shall contain (minimum requirements) the following column headings:

- Date
- Receipt number
- Cash debit columns
- Income credit columns for the following accounts:
  - County payments (one per funding source)

- Contributions
- Other Income (Grants, sales of supplies/services, rental income, miscellaneous revenue, fees, etc.)
- Description (Entries in the description column must specify the source of cash receipts.)

### 2.3 Cash Disbursements Journal

A Cash Disbursements Journal shall be maintained for recording all cash disbursements (e.g., rent, utilities, maintenance, etc.)

The Cash Disbursements Journal shall contain (minimum requirements) the following column headings:

- Date
- Check number
- Cash (credit) column
- Expense account name
- Description

Note (1) Separate expense columns are recommended for salary expense and other recurring expense classifications for each program.

Note (2) Entries in the description column must specify the nature of the expense and the corresponding expense classification if not included in the column heading.

Note (3) Checks should not be written to employees (other than payroll, mileage, travel, and petty cash custodian checks.)

A Check Register may be substituted for the Cash Disbursements Journal, but this is not recommended. If used, the Check Register must contain the same expense classifications and description information required when a Cash Disbursements Journal is used.

Disbursements without supporting documentation will be disallowed on audit. Cancelled checks and credit card statements (VISA, AMEX, department store, etc.) will not constitute acceptable support. (See Section A.3.2 and B.2.4) for additional guidance.

### 2.4 General Ledger

A General Ledger shall be maintained with accounts for all assets, liabilities, fund balances, expenditures, and revenues. Separate accounts must be maintained for each County program's expenses and revenues.

### 2.5 Chart of Accounts

A Chart of Accounts shall be maintained:

- The County recommends that agents use the expense account titles on the monthly invoice submitted to the County.
- If the contractor uses account titles, which differ from the account titles on the monthly invoice, each account title must clearly identify the nature of the transaction(s) posted to the account.
- Contractor must consistently post transactions that are of a similar nature to the same account. For example, all expenses for travel shall be posted to the account titled "travel" or "travel expense" and not intermixed with other expense accounts.

## 2.6 Payroll Register

The County recommends that a Payroll Register be maintained for recording all payroll transactions. The Register should contain the following:

- Name
- Position
- Social Security Number
- Salary (hourly wage)
- Payment Record including:
  - Accrual period
  - Gross pay
  - Itemized payroll deductions
  - Net pay amount
  - Check Number

If a Payroll Register is not used, the information in (2.6) must be recorded in the cash disbursement journal.

CONTRACTOR will ensure compliance with all applicable federal and State requirements for withholding payroll taxes (FIT, FICA, FUTA, SIT, SIU, etc.), reporting, filing (941, DE-7, W-2, W-4 and 1099s), and all applicable tax deposits.

Contractor will ensure compliance with Internal Revenue Service guidelines in properly classifying employees and independent contractors.

## 2.7 Contractor Invoices

Each agent shall present an invoice to the County each calendar month to report the financial activity of the month. In addition, if advanced funding is involved, an invoice shall be presented at the beginning of the Contract period. Invoices shall be prepared in the manner prescribed by the County's contracting department.

## 3.0 RECORDS

Adequate care shall be exercised to safeguard the accounting records and supporting documentation. Any destruction or theft of the CONTRACTOR's accounting records or supporting documentation shall be immediately reported to the County.

### 3.1 Retention

All accounting records (e.g., journals, ledgers, etc.), financial records and supporting documentation (e.g., invoices, receipts, checks, etc.) must be retained for a minimum of five years after the termination of the CONTRACTOR's agreement.

### 3.2 Supporting Documentation

All revenues and expenditures shall be supported by original vouchers, invoices, receipts, or other documentation and shall be maintained in the manner described herein.

Invoices, receipts and canceled checks will be required to support an outlay of funds. Unsupported disbursements will be disallowed on audit. CONTRACTOR will be required to repay COUNTY for all disallowed costs. Photocopied invoices or receipts, any internally generated documents (i.e., vouchers, request for check forms, requisitions, canceled checks, etc.), and account statements do not constitute supporting documentation for purchases.

Supporting documentation is required for various types of expenditures as follows:

**Payroll** – time and attendance records signed by the employee and approved in writing by the supervisor, time distribution records by program accounting for total work time on a daily basis for all employees, records showing actual expenditures for Social Security and unemployment insurance, State and federal quarterly tax returns, federal W-2 forms, and federal W-4 forms.

**Consultant Services** – contracts, time and attendance records, billing rates, travel vouchers detailing purpose, time and location of travel, purchase orders and invoices for supplies and invoices or other supporting documentation detailing the nature of services provided.

**Travel** – travel policies of the CONTRACTOR (written); travel expense vouchers showing location, date and time of travel, purpose of trip, and rates claimed; vehicle mileage logs showing dates, destination and headquarters, purpose of trip, and mileage. Travel related to conferences should include conference literature detailing purpose of the conference. Reimbursement rates for mileage shall not exceed applicable federal guidelines.

Reimbursement for actual receipts or per diem rates for meal expenses shall not exceed the maximum County's reimbursement rate for employees.

Receipts shall be required for lodging for approved out-of-town travel dates. Maximum reimbursable lodging amount is the maximum COUNTY reimbursement rate for employees for a single occupancy hotel accommodation.

**Operating Expenses** (e.g., utilities, office supplies, equipment rentals, etc.) – bona fide contracts or lease agreements, if any, and invoices and receipts detailing the cost and items purchased will constitute the primary supporting documentation. For internal control purposes, the CONTRACTOR may maintain vouchers, purchase orders, requisitions, stock received reports, bills of lading, etc.

**Outside Meals** - receipts and/or invoices for all meals, a record of the nature and purpose of each meal, and identification of the participants.

### 3.3 Payments to Affiliated Organizations or Persons

CONTRACTOR shall not make payments to affiliated organizations or persons for program expenses (e.g., salaries, services, rent, etc.) that exceed the lower of actual cost or the reasonable cost for such expenses. A reasonable cost shall be the price that would be paid by one party to another when the parties are dealing at arm's length (fair market price).

Organizations or persons (related parties) related to the CONTRACTOR or its members by blood, marriage, or through legal organization (corporation, partnership, association, etc.) will be considered affiliated for purposes of this Agreement. County shall be solely responsible for the determination of affiliation unless otherwise allowed and approved by the State or federal agencies.

Payments to affiliated organizations or persons will be disallowed on audit to the extent the payments exceed the lower of actual costs or the reasonable costs for such items.

### 3.4 Filing

All relevant supporting documentation for reported program expenditures and revenues shall be filed in a systematic and consistent manner. It is recommended that supporting documents be filed as follows:

- Checks – numerically
- Invoices – vendor name and date
- Vouchers – numerically
- Receipts – chronologically
- Timecards – pay period and alphabetically

### 3.5 Referencing

Accounting transactions posted to the CONTRACTOR's books shall be appropriately cross-referenced to supporting documentation. It is recommended that expenditure transactions on the CONTRACTOR's books be cross-referenced to the supporting documentation as follows:

- Invoices – vender name and date
- Checks – number
- Vouchers –number
- Revenue – receipt number

Supporting documentation for non-payroll expenditures (i.e., operating expenditures) should be cross-referenced to the corresponding check issued for payment. If multiple invoices are paid with one check, all related invoices should be bound together and cross-referenced to the check issued for payment.

### 4.0 **DONATIONS AND OTHER SOURCES OF REVENUE**

Restricted donations and other sources of revenue earmarked specifically for the Contract must be utilized on allowable Contract expenditures.

### 5.0 **AUDITS**

The agent will make available for inspection and audit to County representatives, upon request, during working hours, during the duration of the Contract and for a period of five years thereafter, all of its books and records relating to the operation by it of each project or business activity which is funded in whole or part with governmental monies, whether or not such monies are received through the County. All such books and records shall be maintained at a location within Los Angeles County.

#### 5.1 Single Audit Requirements

OMB Circular 133, "Audits of State, Local Governments and Non Profit Organizations" requires that certain organizations receiving federal awards, including pass-through awards, have annual audits. Details are contained in the respective Circular.

A copy of any Single Audit reports must be filed with the County within the timeframes prescribed by the applicable Circular.

### 6.0 **SUBCONTRACTS**

No CONTRACTOR shall subcontract services without the prior written consent of the County.

CONTRACTOR shall provide County with copies of all executed subcontracts and shall be responsible for the performance of their Subcontractors.

## **B. INTERNAL CONTROLS**

Internal controls safeguard the CONTRACTOR's assets from misappropriations, misstatements or misuse. Each CONTRACTOR shall prepare necessary written procedures establishing internal controls for its personnel. The CONTRACTOR shall instruct all of its personnel in these procedures and continuously monitor operations to ensure compliance with them.

### **1.0 CASH RECEIPTS**

#### **1.1 Separate Fund or Cost Center**

All Contract revenues shall be maintained in a bank account. If revenues from other sources are maintained in the same bank account, revenues for each source must be clearly identifiable on the accounting records through the use of cost centers or separate accounts.

#### **1.2 Deposits**

All checks shall be restrictively endorsed upon receipt.

Cash received shall be recorded on pre-numbered receipts. Checks shall be recorded on a check remittance log at the time of receipt.

Cash receipts (i.e., cash and checks) totaling \$500 or more shall be deposited within one day of receipt. Collections of less than \$500 may be held and secured and deposited weekly or when the total reaches \$500, whichever occurs first.

Duplicate deposit slips shall be retained and filed chronologically, and shall contain sufficient reference information for comparison to the Cash Receipts Journal (and individual receipts, if applicable).

#### **1.3 Separation of Duties**

An employee who does not handle cash shall record all cash receipts.

#### **1.4 Bank Reconciliation**

Bank statements should be received and reconciled by someone with no cash handling, check writing, or bookkeeping functions.

Monthly bank reconciliation should be prepared within 30 days of the bank statement date and reviewed by management for appropriateness and accuracy. The bank reconciliation should be signed by both the preparer and the reviewer. Reconciling items should be resolved timely.

## **2.0 DISBURSEMENTS**

### **2.1 General**

All disbursements for expenditures, other than petty cash, shall be made by check.

Blank check stock shall be secured and accounted for to preclude unauthorized use.

Checks shall not be payable to "cash" or signed in advance. Checks written to employees for reimbursement of out-of-pocket costs must be supported by receipts and invoices.

A second signature shall be required on all checks, unless otherwise specified in Contract.

If the bookkeeper signs checks, a second signature shall be required on the checks, regardless of limits specified in contract.

Voided checks shall be marked void with the signature block cut out. The voided checks must be filed with the cancelled checks.

Unclaimed or undelivered checks shall be cancelled periodically.

All supporting documentation shall be referenced to check numbers and marked "paid" or otherwise canceled to prevent reuse or duplicate payments.

Disbursements without adequate supporting documentation will be disallowed on audit.

### **2.2 Approvals and Separation of Duties**

Employees responsible for approving cash disbursements and/or signing of checks shall examine all supporting documentation at the time the checks are approved and signed.

All disbursements, excluding petty cash purchases, shall be approved by persons independent of check preparation and bookkeeping activities.

### **2.3 Petty Cash**

A petty cash fund up to \$500 may be maintained for payment of small incidental expenses incurred by the CONTRACTOR (e.g., postage due, small purchases of office supply items, etc.). The CONTRACTOR must obtain written approval from the County to establish a petty cash fund greater than \$500.

Petty cash disbursements must be supported by invoices, store receipts or other external authenticating documents indicating the item purchased and the employee making the purchase. In the event that outside (external) supporting documentation is not obtainable for minor disbursements (under \$10), such as parking meters, etc., then documentation shall be considered as proper supporting documentation on a basis of reasonableness. Petty cash disbursements should not be used as a substitute for normal purchasing and disbursement practices i.e., payment by check).

The petty cash fund shall be maintained on an imprest basis. A check should be drawn to set up the fund and to make periodic reimbursements. Receipts, vouchers, etc., supporting each fund replenishment must be bound together, filed chronologically and cross referenced to the reimbursement check.

#### 2.4 Credit Cards

The use of credit cards, both CONTRACTOR issued credit cards and an employee's personal credit cards used on behalf of the CONTRACTOR, should be limited to purchases where normal purchasing and disbursement practices are not suitable.

Credit cards issued in the CONTRACTOR's name must be adequately protected and usage monitored to ensure that only authorized and necessary items are purchased.

Credit card purchases should be pre-approved by CONTRACTOR management to ensure that they are reasonable and necessary.

All credit card disbursements must be supported by original invoices, store receipts or other external authenticating documents indicating the item purchased and the employee making the purchase. Credit card statements are not sufficient support for credit card purchases.

### 3.0 TIMEKEEPING

#### 3.1 Timecards

Timecards or time reports must be prepared for each pay period. Timecards or time reports must indicate total hours worked each day by program and total hours charged to each of the CONTRACTOR's programs. Time estimates do not qualify as support for payroll expenditures and will be disallowed on audit.

All timecards and time reports must be signed in ink by the employee and the employee's supervisor to certify the accuracy of the reported time.

#### 3.2 Personnel and Payroll Records

Adequate security must be maintained over personnel and payroll records with access restricted to authorized individuals.

Personnel and payroll records should include (but not be limited to) the following:

- Employee's authorized salary rate
- Employee information sheet
- Resume and/or application
- Proof of qualifications for the position, if required (e.g., notarized copy or original diploma, license, etc.)
- Performance evaluations
- Criminal record clearance
- Citizenship Status
- Benefit balances (e.g., sick time, vacation, etc.)

#### Benefit Balances

Employee benefit balances (e.g., sick time, vacation, personal time, etc.) should be maintained on at least a monthly basis. Benefit balances should be increased when benefit hours are earned and decreased as hours are used.

#### Limitations on Positions and Salaries

The CONTRACTOR shall pay no salaries higher than those authorized in the Contract, or the attachments thereto, except as proscribed by state or federal law.

If an employee serves in the same or dual capacities under more than one Agreement or program, the employee may not charge more than 100% of their time to the contracts or programs taken as a whole.

Salaried employees who work less than 40 hours per week shall be paid a salary that corresponds with the employee's work schedule.

The salary expense of salaried employees working on more than one Agreement or program shall be allocated to each program based on the ratio of the number of hours worked on each program during the pay period to the total number hours worked during the pay period.

The CONTRACTOR will make no retroactive salary adjustment for any employee without written approval from the County.

#### Separation of Duties

Payroll checks should be distributed by persons not involved in timekeeping, preparing of payroll, or reconciling bank accounts.

All employee hires and terminations, or pay rate changes, shall be approved by authorized persons independent of payroll functions.

All employee hires and terminations, or pay rate changes shall be approved in writing by authorized persons independent of payroll functions.

#### **4.0 FIXED ASSETS**

A fixed asset is defined as an article of nonexpendable tangible personal property having a useful life of more than two years. The County recommends all fixed assets with an acquisition cost of \$1,000 or more per unit be capitalized.

Acquisition cost means the net invoice unit price of an item, including the cost of any modifications, attachments, accessories, or auxiliary apparatus necessary to make it usable for the purpose for which it was acquired.

##### **4.1 Acquisition**

Fixed asset purchases shall be approved by the Agency's Board of Directors or their authorized representative.

##### **4.2 Identification and Inventory**

All fixed assets purchased with Contract funds are to be used solely for the benefit of the Contract and should be appropriately tagged.

Each CONTRACTOR shall maintain a current listing of fixed assets, including the item description, serial number, date of purchase, acquisition cost and sources of funding.

An inventory of all fixed assets should be conducted at least once each year to ensure that all fixed assets are accounted for and maintained in proper working order.

##### **4.3 Security**

Physical security should be adequately maintained over fixed assets to prevent misuse and theft of County property.

##### **4.4 Property Management**

The CONTRACTOR shall assume responsibility and accountability for the maintenance of all non-expandable property purchased, leased, or rented with Contract funds.

The CONTRACTOR shall report promptly, in writing, to the County all cases of theft, loss, damage, or destruction of fixed assets. The report shall contain at a minimum, item identification, recorded value, facts relating to loss, and a copy of the law enforcement report.

CONTRACTOR shall dispose of or return to the County all fixed assets, in accordance with their Contract.

## **5.0 BONDING**

All officers, employees, and agents who handle cash or have access to the agent's funds shall be bonded.

## **C. COST PRINCIPLES**

### **1.0 POLICY**

It is the intent of the COUNTY to provide funds for the purpose of CONTRACTOR providing services required by the Agreement. CONTRACTOR shall use these funds on actual expenses in an economical and efficient manner and ensure they are reasonable, proper and necessary costs of providing services and are allowable in accordance with the applicable OMB Circular.

#### **1.1. Limitations on Expenditures of Program Funds**

CONTRACTOR shall comply with the Agreement and the applicable OMB Circular. The Circular defines direct and indirect costs, discusses allowable cost allocation procedures and the development of Indirect Cost Rates, and specifically addresses the allowability of a variety of different costs.

If a CONTRACTOR is unsure of the allowability of any particular type of cost or individual cost, the CONTRACTOR should request advance written approval from the County prior to incurring the cost.

#### **1.2 Expenses Incurred Outside the Agreement Period**

Expenses charged against program funds may not be incurred prior to the effective date of the Agreement or subsequent to the Agreement termination date.

#### **1.3 Budget Limitation**

Expenses may not exceed the maximum limits shown on the Contract budget.

#### **1.4 Unspent Funds**

The County will determine the disposition of unspent program funds upon termination of the Contract.

#### **1.5 Necessary, Proper and Reasonable**

Only those expenditures that are necessary, proper and reasonable to carry out the purposes and activities of the Program are allowable.

## **2.0 ALLOCATION OF COST POOLS**

For CONTRACTORS that provide services in addition to the services required under Contract, the CONTRACTOR shall allocate expenditures that benefit programs or funding sources on an equitable basis.

In accordance with the applicable OMB Circular, agencies shall define their allocable costs as either direct or indirect costs (as defined below) and allocate each cost using the basis most appropriate and feasible.

The CONTRACTOR shall maintain documentation related to the allocation of expenses (e.g., timecards, time summaries, square footage measurements, number of employees, etc.).

Under no circumstances shall allocated costs be charged to an extent greater than 100% of actual costs or the same cost be charged both directly and indirectly.

### **2.1 Direct Costs**

Direct costs are those costs that can be identified specifically with a particular final cost objective (i.e., a particular program, service, or other direct activity of an organization). Examples of direct costs include salaries and benefits of employees working on the program, supplies and other items purchased specifically for the program, costs related to space used by employees working on the program, etc.

For all employees, other than general and administrative, the hours spent on each program (activity) should be recorded on employees' timecards and the payroll expense should be treated as direct charges and distributed on the basis of recorded hours spent on each program.

Joint costs (i.e., costs that benefit more than one program or activity) which can be distributed in reasonable proportion to the benefits received may also be direct costs.

Examples of bases for allocating joint costs as direct costs:

- Number of direct hours spent on each program
- Number of employees in each program
- Square footage occupied by each program
- Other equitable methods of allocation

### **2.2 Indirect Costs**

Indirect costs are those costs that have been incurred for common or joint objectives and cannot be readily identified with a particular final cost

objective. Examples of indirect costs include salaries, employee benefits, supplies, and other costs related to general administration of the organization, depreciation and use allowances, and the salaries and expenses of executive officers, personnel administration, and accounting.

Examples of bases for allocating indirect costs:

- Total direct salaries and wages
- Total direct costs (excluding capital expenditures and other distorting items such as Subcontractor payments)

## 2.3 Acceptable Indirect Cost Allocation Methods

OMB Circulars describe the following allowable methods for allocating indirect costs:

- Simplified allocation method
- Direct allocation method
- Multiple allocation base method
- Negotiated indirect cost rate

### Simplified Allocation Method

This method can be used when an organization's major functions benefit from its indirect costs to approximately the same degree. Using this method, all allocable costs are considered indirect costs and an indirect cost rate is determined by dividing total allowable indirect costs by an equitable distribution base.

#### Example

Agency-wide indirect costs	\$250,000
Less: Capital expenditures	<u>10,000</u>
Allocable indirect costs	240,000
Total agency-wide indirect salaries	\$1,000,000
Indirect cost rate (\$240,000/\$1,000,000)	24%
Program direct salaries	\$100,000
Program indirect costs (24% x \$100,000)	<u>\$24,000</u>

### Direct Allocation Method

This method can also be used when an organization's major functions benefit from its indirect costs to approximately the same degree. Using this method, all costs except general administration and general expenses are treated as direct costs. Joint costs for depreciation, rental, facilities maintenance, telephone, and other similar expenses are prorated

individually to each direct activity on a basis appropriate for that type of cost.

The remaining costs, which consist exclusively of general administration and general expenses are then allocated using the simplified allocation method previously discussed.

#### Multiple Base Allocation Method

This method can be used when an organization's major functions benefit from its indirect costs in varying degrees. Using this method, indirect costs are grouped to permit allocation of each grouping on the basis of the benefits provided to the major functions. Each grouping is then allocated individually using the basis most appropriate for the grouping being allocated.

### 2.4 Cost Allocation Plan

If the CONTRACTOR has a negotiated indirect cost rate approved by a federal agency, it shall submit a copy of the approval letter when requested by County.

If the CONTRACTOR does not have a negotiated indirect cost rate, CONTRACTOR shall submit an annual Agency-wide Cost Allocation Plan when requested by County. The Cost Allocation Plan shall be prepared in accordance with County instructions and the applicable OMB Circular and include the following information:

1. CONTRACTOR general accounting policies:
  - Basis of accounting (cash or accrual)
  - Fiscal year
  - Method for allocating indirect costs (simplified, direct, multiple, negotiated rate)
  - Indirect cost rate allocation base
2. Identify the CONTRACTOR's direct and indirect costs (by category) and describe the cost allocation methodology for each category.
3. Signature of CONTRACTOR management certifying the accuracy of the plan.

#### Negotiated Indirect Cost Rates

Agencies have the option of negotiating an indirect cost rate or rates for use on all their federal programs. The CONTRACTOR must submit a cost allocation plan to the federal agency providing the most funds to the organization. The approved indirect cost rate is then applied to the total approved direct cost base.

If CONTRACTOR has a federally approved indirect cost rate, CONTRACTOR shall submit a copy of the approval letter to COUNTY upon request.

#### **D. UNALLOWABLE COSTS**

OMB Circulars address the allowability of a variety of different costs. For all costs, there are certain restrictions and limitations; however, the following costs are not allowable under any circumstances:

- Bad debts
- Contingency provisions
- Contributions and donations
- Fines and penalties
- Fundraising activities
- Interest expense (unless expressly allowed by federal guidelines)
- Losses on other awards

#### **E. OVERPAYMENTS**

If upon audit, or at any time during the Agreement year, it is determined that invoices submitted to the County and used as a basis for payments to the CONTRACTOR were inaccurate, County shall determine the total overpayment and require the CONTRACTOR to repay County. The County may withhold payments from CONTRACTOR's future payments for any amounts not returned to the COUNTY or credited to the Contract unless otherwise prohibited by State or federal regulations.

#### **F. MISCELLANEOUS REQUIREMENTS**

##### **1.0 INSURANCE**

CONTRACTOR is responsible for securing and maintaining insurance coverage as required by the Agreement. CONTRACTOR must notify County when insurance is revoked, reduced to a level or coverage less than required, or otherwise made ineffective.

Insurance shall include an endorsement naming the COUNTY as an additional insured.

##### **2.0 ACTIVITY**

No funds, materials, property, or services contributed to the COUNTY or the CONTRACTOR under this Agreement shall be used in the performance of any political activity, the election of any candidate, or the defeat of any candidate for public office.

## Notice 1015

(Rev. December 2008)

### Have You Told Your Employees About the Earned Income Credit (EIC)?

---

#### What Is the EIC?

The EIC is a refundable tax credit for certain workers.

#### Which Employees Must I Notify About the EIC?

You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on Form W-4, Employee's Withholding Allowance Certificate.

**Note.** You are encouraged to notify each employee whose wages for 2008 are less than \$41,646 that he or she may be eligible for the EIC.

#### How and When Must I Notify My Employees?

You must give the employee one of the following:

- The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 9, 2009.

You must hand the notice directly to the employee or send it by First-Class Mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice from the IRS website at [www.irs.gov](http://www.irs.gov) or by calling 1-800-829-3676.

#### How Will My Employees Know If They Can Claim the EIC?

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see the 2008 instructions for Form 1040, 1040A, 1040EZ, or Pub. 596, Earned Income Credit (EIC).

#### How Do My Employees Claim the EIC?

Eligible employees claim the EIC on their 2008 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2008 and owes no tax but is eligible for a credit of \$825, he or she must file a 2008 tax return to get the \$825 refund.

#### How Do My Employees Get Advance EIC Payments?

Eligible employees who expect to have a qualifying child for 2009 can get part of the credit with their pay during the year by giving you a completed Form W-5, Earned Income Credit Advance Payment Certificate. You must include advance EIC payments with wages paid to these employees, but the payments are not wages and are not subject to payroll taxes. Generally, the payments are made from withheld income, social security, and Medicare taxes. For details, see Pub. 15 (Circular E), Employer's Tax Guide.

**“Contractor Employee Jury Service”****Los Angeles County Code Sections 2.203.010 through 2.203.090****2.203.010 Findings.**

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002).

**2.203.020 Definitions.**

# *Safely* Surrendered Baby Law

## What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

## How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

## What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

## Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

## Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

## Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

## What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

## What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

## Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

## *A baby's story*

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

# Ley de Entrega de Bebés Sin Peligro

## ¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

*Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.*

## ¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazaletes y el padre/madre o el adulto que lo entregue recibirá un brazaletes igual.

## ¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Ángeles al 1-800-540-4000.

## ¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

## ¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

## ¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

## ¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

## ¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

## ¿Por qué se está haciendo esto en California? ?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

## Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazaletes con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

**Title 2 ADMINISTRATION**  
**Chapter 2.201 LIVING WAGE PROGRAM**

**201.010 Findings.**

The board of supervisors finds that the county of Los Angeles is the principal provider of social and health services within the county, especially to persons who are compelled to turn to the county for such services. Employers' failure to pay a living wage to their employees causes them to use such services thereby placing an additional burden on the county of Los Angeles. (Ord. 99-0048 § 1 (part), 1999.)

**2.201.020 Definitions.**

The general definitions contained in Chapter 2.02 shall be applicable to this chapter unless inconsistent with the following definitions:

- A. "County" includes the county of Los Angeles, any county officer or body, any county department head, and any county employee authorized to enter into a Proposition A contract or a cafeteria services contract with an employer.
- B. "Employee" means any individual who is an employee of an employer under the laws of California, and who is providing full time services to an employer, some or all of which are provided to the county of Los Angeles under a Proposition A contract, or under a cafeteria services contract at a county of Los Angeles owned or leased facility.
- C. "Employer" means:
  - 1. An individual or entity who has a contract with the county:
    - a. For services which is required to be more economical or feasible under Section 44.7 of the Charter of the county of Los Angeles, and is not listed as an excluded contract in Section 2.121.250 B of the Los Angeles County Code, referred to in this chapter as a "Proposition A contract," or
    - b. For cafeteria services, referred to in this chapter as a "cafeteria services contract," and
    - c. Who has received or will receive an aggregate sum of \$25,000.00 or more in any 12 month period under one or more Proposition A contracts and/or one or more cafeteria services contracts; or
  - 2. An individual or entity that enters into a subcontract with an employer, as defined in subsection C1 and who employs employees to provide services under the employer's contract with the county.

**Title 2 ADMINISTRATION**  
**Chapter 2.201 LIVING WAGE PROGRAM**

- D. "Full time" means a minimum 40 hours worked per week, or a lesser number of hours, if the lesser number is a recognized industry standard and is approved as such by the chief executive officer, but in no event less than 35 hours worked per week. (Ord. 99-0048 § 1 (part), 1999.)
- E. "Proposition A contract" means a contract governed by Title 2, Section 2.121.250 et. seq. of this code, entitled Contracting with Private Business.

**2.201.030 Prospective effect.**

This chapter shall be applicable to Proposition A contracts and cafeteria services contracts and their amendments the terms of which commence three months or more after the effective date of this chapter.\* It shall not be applicable to Proposition A contracts or cafeteria services contracts or their amendments in effect before this chapter becomes applicable. (Ord. 99-0048 § 1 (part), 1999.)

\*Editor's note: Ordinance 99-0048, which enacted Ch. 2.201, is effective on July 22, 1999.

**2.201.040 Payment of living wage.**

- B. To qualify for the living wage rate with health benefits, an employer shall pay at least \$2.20 per hour towards the provision of bona fide health care benefits for each employee and any dependents during the term of a Proposition A contract or a cafeteria services contract. Proof of the provision of such benefits must be submitted to the county for evaluation during the procurement process to qualify for the lower living wage rate in subsection A of this section. Employers who provide health care benefits to employees through the county department of health services community health plan are deemed to have qualified for the lower living wage rate in subsection A of this section.
- C. The board of supervisors may, from time to time, adjust the amounts specified in subsections A and B of this section, above for future contracts. Any adjustments to the living wage rate specified in subsections A and B that are adopted by the board of supervisors shall be applicable to Proposition A contracts and cafeteria services contracts and their amendments which become effective three months or more after the effective date of the ordinance that adjusts the living wage rate. (Ord. 99-0048 § 1 (part), 1999.)

## **COUNTY OF LOS ANGELES POLICY ON DOING BUSINESS WITH SMALL BUSINESSES**

Forty-two percent of businesses in Los Angeles County have five or fewer employees. Only about four percent of businesses in the area exceed 100 employees. According to the Los Angeles Times and local economists, it is not large corporations, but these small companies that are generating new jobs and helping move Los Angeles County out of its worst recession in decades.

### ***WE RECOGNIZE. . . .***

#### ***The importance of small business to the County. . .***

- in fueling local economic growth
- providing new jobs
- creating new local tax revenues
- offering new entrepreneurial opportunity to those historically under-represented in business

#### ***The County can play a positive role in helping small business grow. . .***

- as a multi-billion dollar purchaser of goods and services
- as a broker of intergovernmental cooperation among numerous local jurisdictions
- by greater outreach in providing information and training
- by simplifying the bid/proposal process
- by maintaining selection criteria which are fair to all
- by streamlining the payment process

### ***WE THEREFORE SHALL:***

1. Constantly seek to streamline and simplify our processes for selecting our vendors and for conducting business with them.
2. Maintain a strong outreach program, fully-coordinated among our departments and districts, as well as other participating governments to: a) inform and assist the local business community in competing to provide goods and services; b) provide for ongoing dialogue with and involvement by the business community in implementing this policy.
3. Continually review and revise how we package and advertise solicitations, evaluate and select prospective vendors, address subcontracting and conduct business with our vendors, in order to: a) expand opportunity for small business to compete for our business; and b) to further opportunities for all businesses to compete regardless of size.
4. Insure that staff that manage and carry out the business of purchasing goods and services are well trained, capable and highly motivated to carry out the letter and spirit of this policy.
